Message for Teachers

Have you found that you are running out of ideas to ensure your kindergarten to year 2 students complete 120 minutes of physical exercise a week?

We have the answer for you.

Table Tennis NSW in association with StarsTV and Table Tennis World have designed a website, [www.haveaball.com.au](http://www.haveaball.com.au), which will help you to overcome this difficulty.

It is a free website which will allow you to ensure your students develop gross motor skills as you would wish them to do.

Why not give it a try

Yours Faithfully

Ted Davis
