JUNIOR ELITE Squad Development Training: Michael Wagner / Nick Lee - coordinator

The Top Six in each age group will be added to the Elite Development Squad training

This will also include development for new coaches to gain experience and coaching training with the elite Junior players. As well as open players will be available on the day to assist with training routines & as training partners, all players in the squad will get table time with an open player. The coaching sessions will be 7 hours and will include on table training as well as strength & conditioning & coach education. To maintain your position in the elite squad you **MUST** commit to the training regime and is contingent on – Attitude, Results and Attendance – Should a squad member not exhibit the proper responses to all three of these aspects they will be replaced by the next player. Training may also be increased and conducted on a weekly basis at the head coach's recommendation.

The current squad players are listed per the 2018 rankings. Please see the attachment – If a player is not available the next player on the list will be added – so on the form below please indicate yes you are available even if you are not listed in the top six. Congratulations to all players in the Elite squad.
